候選人姓名 Name of candidate:	Ali Amjad
在校子女姓名 Name(s) of child(ren):	Ali Dua (S.4B)

My name is Amjad Ali. I was born and brought up in Pakistan currently residing in Hong Kong for the last 25 years. I am a businessman.

Apart from this, I am a member of many organizations, a Council member of the Pakistan association limited, and the Chairman of the Pakistan Association's Hockey Committee. I am very keen on sports.

As well as the director of the Dua Foundation funds limited, which aims to promote the welfare of children in the home, school, and community. Offer them support and guidance in education, health, and moral values.

If I talk about my hobbies I am a nature lover. Planting is my hobby. I have many floral and veggie plants. I also have different types of birds for instance Australian birds, pigeons, etc. I love to spend time with them.

But in all these the most precious and vital is my fatherhood, I believe that the role of parents is compulsory in their children's life.

Parents are the child's first role model. Children behave, react, and imitate the same as their parents. Parents play important role in encouraging and motivating their kids to learn. Good parental support helps the child to be a positive, healthy, and good life long learner. Children acquire skills at the very early stage of their life if the parents are responsive and understanding.

Trust and mutual understanding between parent and teacher is a real secret of a child's happy learning. Support and Cooperativeness from parents towards teacher helps a lot to connect, understand, and work towards a child. Remarkable positive change is seen in a child if the parents and teacher understand and work hand in hand. A good parent teacher relationship leads child to be positive towards attending school.

That's why I have been a member of BHS PTA and IMC's alternate manager for 3 years. The purpose of joining all these committees is to help the school to understand our cultural values and our children's' learning requirements because the vibrancy and warmth of us is an essential aspect of the nurturing and child-centered environment that the school provides for every student.

Education is the key to success; we have to help our children to learn well and find out the problematic areas of learning and help them to overcome these hurdles.

It will be my mission to stay in good contact with parents and school.

- Build a support network for parents – through knowledge and experience via our school group platforms of engagement as well as school wide gatherings
- Enrich student life through programming that heightens school spirit, encourages family togetherness and promotes humanitarian efforts within our both communities.
- Connect our school and families through social events in and out of school and encourage parents to become involved in the school community
- Find out the difficulties of students and teachers and help them to overcome their hurdles.

I am very glad to express my joy and satisfaction that our school environment is harmonious apart from different cultures, nationalities, religions and skin colors all are learning happily we should avail this satisfaction and support them in learning and achieving their life goals.

Last but not least I want the prosperity and success of the school and students with a warm and harmonious environment.

Thank you very much!

在校子女姓名 Name(s) of child(ren): 李銳衡 Li Rui Heng (S.3C) & 李潤衡 Li Yun Hang (S.4B)

It has been a great honor for me to serve in the past year as your Parent Manager in the IMC of Bethel High. I have learned a lot and am humbled by the experience. Our school is faced with both challenges and opportunities. If re-elected, I will continue to hold the management accountable for devising and implementing changes for the benefits and best interests of our students. Our Principal Chan and his teaching staff all desperately want your feedback and suggestions, so I will be glad to help communicate your thoughts to the school!

本人十分榮幸於去年首度代表各家長出任伯特利中學之家長校董，工作中可謂受益良多。個人感悟今天的伯中是既有挑戰，但更富機遇。本人若有幸連任，將力促校方管理層繼續推陳出新，全面加強 貴子弟在校之學業進益。我們的陳校長及一眾老師，都殷切期望聽到家長的建議和鼓勵，而本人則樂意作為校方與家長間通達信息的橋樑，故謹以此為競選願！
