Bethel High School
Manual for Students to use ZOOM

Zoom is a cross-platform video conferencing tool which supports operating systems like Windows, Mac, Android and iOS
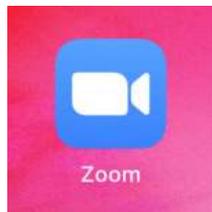

Students can go to APPLE App Store or Google Play to search and download the Zoom Cloud Meetings.
(Click here to download)

IOS users	Android users

**Getting started with phones / tablets**
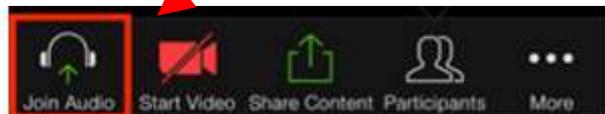

1. After installation, click Zoom.

2. Click "join a meeting".

3. Enter the teacher's meeting ID, your class, class no and full name, e.g. 1A01XXXXXXX, then click 'join'.
