Outdoor Learning Day is a learning activity and therefore full attendance is required. If a student cannot join the activity due to some special reasons, he/she must submit a written application to the class teachers in advance. However, he/she should come to the school as usual and stay on the campus on that day. The school will arrange some teachers to supervise those students to do study and homework. For causal leave, prior approval from the school is required. A medical certificate is required for sick leave. Any students who fails to comply with this rule will be treated as truant.

We sincerely hope that students can join this activity to broaden their horizons and increase their interest in learning. Parents please urge the students to follow the rules for the sake of safety.

Yours sincerely,

 Ng Chiu Mei
 Principal
