

Senior Secondary Applied Learning Course Exhibition and Taster Programmes

Dear S.4 Parents,

Applied Learning (APL) is an integral part of the New Senior Secondary (NSS) curriculum. Starting from 2010/11 school year, students have been able to take APL courses as elective subjects in S5 and S6 according to their interests, aspirations and aptitudes. In order to let students choose suitable courses, the school recommends that students should attend the following activities before the application.

1. Applied Learning Course Exhibition

The Education Bureau (EDB) is going to organise an Applied Learning (APL) course exhibition and taster session in Young Achievers' Gallery, Podium, West Block, Education Bureau Kowloon Tong Education Services Centre.

The details are as follows:

Date: 17-19 January, 2019 (Thur to Sat)

Time: 10:00 a.m. - 5:00 p.m.

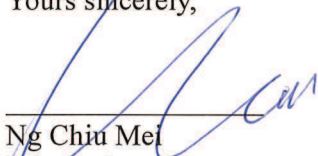

Content: Introduction of ApL Courses by representatives of course providers and taster activities like demonstrations and games.

2. Taster Programmes

The EDB and the course providers are going to arrange some free taster programmes for students to have a taste of the applied learning courses. Taster programmes last for half day. The dates of the programmes are 2/3 and 9/3/2019 (Sat). Students should go to the course providers to have the programmes themselves. Please refer to the classroom bulletin board for the details of the 'Taster Programmes' dates and contents. Students who are interested can fill in the table on the reply slip so that proper arrangements can be made.

Application period of APL courses for S.4 students is from 11-3-2019 to 21-3-2019. Application details would be announced later. For enquiries, please contact Ms. Chan Man Wai at 24712622.

Yours sincerely,

Ng Chiu Mei
Principal
