

Sportswear Survey

Dear Parents,

The school is planning to optimize the materials used for the students' sports jackets and sports pants. The design and colours of the sportswear will remain unchanged; the current styles will be kept. Samples of the sportswear will be placed at the reception for parents to view. Parents are invited to provide feedback on the selected materials for the sportswear from March 8 (Parents' Day) to March 14.

If parents are unable to visit the school during the above period, they can also click the following link <https://forms.office.com/r/rdJECyJW6p> or scan the QR code to complete the questionnaire and share their feedback between March 15 to March 21.

(The QR code will only be active from March 15 to March 21)

Before filling out the questionnaire, parents are advised to consider the sportswear's comfort, durability, and price, among other factors. The price of the sportswear may be based on the materials used.

The school will carefully consider whether to change the materials of the sports jackets and track pants, taking into account parents' feedback and other relevant factors. If a decision is later made to adopt new materials, students may purchase the new version of the sportswear according to their individual needs; existing sports jackets and track pants may continue to be worn and will not be affected.

Please sign the electronic circular and complete the electronic questionnaire on or before 21 March 2026. If no response regarding the school sports jackets and track pants is received by the specified date, it will be taken as consent to the school's arrangements. For enquiries, please contact Ms. Wong Yee Man at 24712622.

Yours sincerely,

  
Mui Chi Man  
Principal
