

Joint University Programmes Admission System

Dear S.6 Parents,

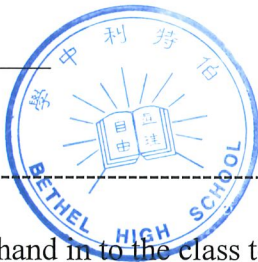

The Joint University Programmes Admissions System (JUPAS) (Please see www.jupas.edu.hk for details) is a scheme and the main route of application designed to assist students with Hong Kong Diploma of Secondary Education (HKDSE) results to apply for admission to government-funded bachelor’s degree programmes. The details of the program will be introduced to the students on 3rd October, 2019 by the Career and Guidance Team. Applicants who wish to apply for admission to the programmes offered under JUPAS and are eligible to apply via JUPAS should submit and complete their applications via the JUPAS online application system from 19th September, 2019 (9:00 am) to 4th December, 2019 (11:59 pm). The fee is HK\$460.

In order to help students to complete the JUPAS application, the school will carry out the procedures listed in *Appendix 1 and 2* from September 2019 to August 2020. We would be grateful if you would discuss the further studies pathways with your child. Should you have any enquiries, please feel free to contact our Career and Guidance Mistress, Miss Kwan Hoi Suen at 24712622.

Yours sincerely,

Chan

JUPAS - Principal's Nominations Scheme (2019-2020)

Background

The Principal's Nominations Scheme of JUPAS was initiated in 1999. Under this scheme, the school will nominate at most three students after the school selection.

Selection Criteria of School Selection

- (1) To align with the objectives of the JUPAS Principal's Nominations Scheme, the school will mainly nominate **students who have outstanding achievements in the following non-academic areas**:
 - arts, music, sports and other cultural activities
 - school and social services
 - leadership
- (2) The school will only nominate students who have outstanding achievements in one or more areas of above and evaluate whether their public examination results can meet the entry requirements of their selected programmes based on the opinion of the subject teachers.
- (3) If students have outstanding performances or achievements in one of the areas listed in (1) and have decent or even excellent results, the Principal's Nomination Scheme can help them to get into those highly competitive programmes, such as BBA, MBBS, Actuarial Science, etc. Since these students have outstanding achievements apart from academics so the scheme would also consider nominating these students.

Application Procedures

Students can get an application form from Ms. Kwan Hoi Suen , fill in related information and **submit the form by 6/1/2020**.
