

《S.6 After-school Tutorial Classes》

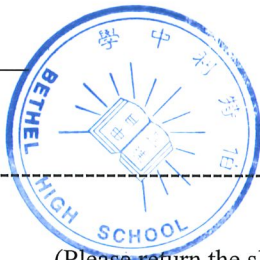

Dear S.6 Parents,

In order to strengthen S.6 students' learning, improve their academic performance and prepare them for the HKDSE Examination, the school will arrange some after-school tutorial classes for S.6 students from 3/10/2019 to 16/12/2019. Since the quota is limited, the school will select students to the lessons according to their academic results and needs. The name list of the tutorial classes of different subjects will be released by the class teacher. Please see the attachment for further details.

In order to enhance students' performance, please urge your child to attend the lessons on time. If students cannot attend the class due to casual leave or sick leave, they should apply for the leave according to the school rules. For enquiries, please contact the General Office at 2471 2622.

Yours sincerely,
