

Arrangements of resumption of whole-day face-to-face lessons

Dear Parents,

(1) Resumption of whole-day face-to-face lessons on 1<sup>st</sup> November, 2021 (Monday)

According to our survey conducted in early October, the percentage of our staff receiving two doses of COVID-19 vaccine is 95%. Meanwhile, the percentage of our students in Hong Kong who have received two doses of COVID-19 vaccine is higher than 70% and has reached the requirements of the resumption of whole-day face-to-face lessons. We have got the consent from our Incorporated Management Committee (IMC) and the EDB has acknowledged our request on the resumption of whole-day face-to-face lessons starting from 1st November, 2021.

(2) Timetable for whole-day face-to-face lessons

The lessons will follow the whole-day face-to-face timetable, including 8 lessons a day and 40 minutes per lesson. School will start at 8:15 a.m. and finish at 3:40 p.m. (till 4:20 p.m. on Fridays), except for some lessons in designated forms. (Details are attached in Appendix 1)

Lunch arrangement

The lunch hour is from 1:00 p.m. to 2:00 p.m. All students are required to have their lunch at school. Students are not allowed to leave the classroom until 1:30 p.m. unless authorised by teacher. In order to prevent the spread of COVID-19 and protect our students, parents are encouraged to help their children prepare their lunchboxes, including:

1. Bring their own thermal lunchbox
2. Bring their own stainless steel lunchbox and put it in the collection box in the school canteen before the morning assembly.
3. Join the monthly lunchbox plan and order the lunchboxes from the school canteen. Details can be found in Appendix 2. (Students who live in Fairview Park may ask for permission from the Discipline Team and have lunch at home. Details can be found in Appendix 3)

(4) Extra-curricular activities (ECA)

All the ECA will start in November from 3:50 p.m. to 4:50 p.m. Students will be assigned to different ECA based on their preference. More details will be disseminated in the ECA circular. Should you have any enquiries concerning ECA, please contact Mr. Tang Kam Fai (Head of ECA).

(5) Arrangement of resumption of classes for cross-border and overseas students

The percentage of students receiving two doses of COVID-19 vaccine should be higher than 70% for conducting whole-day face-to-face lessons. Therefore, we recommend cross-border and overseas students to receive the vaccine. For those who did not receive any COVID-19 vaccine, if they return to Hong Kong and attend face-to-face classes, they may reduce the overall vaccination rate which may affect the resumption of whole-day face-to-face classes. Therefore, their chances of attending face-to-face classes are prioritised according to the date and time they arrive Hong Kong. If the vaccination rate is below 70%, some students may not be able to attend face-to-face classes and they can only attend online lessons until the percentage reaches 70%.

Should you have any enquiries concerning the arrangement of the face-to-face lessons, please contact Mr. Tsoi Kwok Wing at 2471 2622 during school office hours. Please kindly sign the electronic circular by 25 October 2021 (Monday). Thank you for your kind attention.

Yours faithfully,

  
Mr. Chan Ka Fai  
Principal
