Parents are advised to take epidemic preventive measures and pay close attention to the health conditions of your child. Students should stay at home and avoid going to crowded areas with poor ventilation. Please contact the school if your child encounters any learning difficulties in online lessons or needs emotional support during the suspension of face-to-face lessons. We will make strenuous effort to support students' home learning and take care of their mental well-being.

Should you have any enquiries, please contact Mr. Tsoi Chung Kwong at 2471 2622 during office hours. Please kindly sign the electronic circular by 4 Feb 2022. Thank you for your kind attention.

Let us pray for all students, parents, teachers, staff and Hong Kong citizens. May God bless everyone with good health and the epidemic can soon be eradicated. Happy Lunar New Year! May God overflow your life with bountiful blessings of grace!

Yours faithfully,

Mr. Chan Ka Fai  
Principal
