Due to the severity of the epidemic situation, please stay vigilant in adopting epidemic control measures at all times and inform the school if any confirmed case / close contact of confirmed case is identified. Moreover, students in the relevant age groups are urged to get vaccinated as soon as possible to better protect themselves.

We have expressed concern and condolences to the above mentioned individuals and wish them a speed recovery. Let us pray for all students, parents, teachers, staff and Hong Kong citizens. May God bless everyone with good health and the epidemic can soon be eradicated. Should you have any enquiries, please contact the school office at 2471 2622 during office hours.
