

S.6 Final Examination

Dear S.6 Parents,

The details of the S.6 Final Examination are listed below. It is hoped that parents can prod students to get prepared for the examination:

1. The S.6 Final Examination will be held from 30/1/2023 to 10/2/2023. During the examination period, students should arrive school and reach the examination venue by 8:10 a.m. Moreover, students are reminded to arrive at the examination venue at least 15 minutes before each examination session. Please refer to (Annex 1) for the exam timetable.
2. Casual leave for students during the examination period will not be allowed except for special cases. During the examination period, students have to fill in the Application for Leave column in the Student Handbook and submit a medical certificate regardless of the duration of the sick leave. If a student is absent from an examination without following these procedures, he/she will receive zero marks for that subject. Absentees will not be given a make-up exam. Nonetheless, absentees should still apply for leave as stated (please refer to the Student Handbook) and submit the leave application documents to the class teacher on the next school day. The examination scores of absentees who comply with the general procedures will be estimated based on their daily marks.
3. The S.6 Exam Script Review Days will be held from 13/2/2023 to 15/2/2023. Students should come to school and have lessons according to the timetable.
4. If the EDB announces a class suspension during the examination period, the examination(s) on that day will be rescheduled and details will be announced upon changes. The remaining examinations will be held in accordance with the original schedule.

Please sign the electronic circular by 16/12/2022.

Yours faithfully,

  
Mr. Chan Ka Fai  
(Principal)
