

Online Application
Household Application for Student Financial Assistance Schemes (Household Application)
for 2025/26 School Year

Dear Parents,

The Household Application for Student Financial Assistance Schemes for the 2025/26 school year will start accepting applications soon. Needy families may submit applications to the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency to apply for student financial assistance for students at pre-primary, primary or secondary levels.

Apply Online to Receive Subsidy Earlier

SFO encourages applicants to apply online. Applicants applying online will receive subsidy earlier than those using paper-based application forms. Continuing applicants who have submitted the completed application and supporting documents online on or before 31 May 2025, met the relevant eligibility criteria and passed the mean test will receive the provisional School Textbook Assistance and Subsidy for Internet Access Charges (if applicable) for the 2025/26 school year from around July 2025. In addition, using E-form is convenient and saves time. Applicants may complete and submit applications online with their personal computers or smart phones and upload supporting documents online anytime and anywhere. Applicants no longer need to submit applications in person or by post, and this can also save money on postage and photocopying.
